

City of Milford

Introduction

This case study of City of Milford is based on a May 2020 survey of SonicWall Secure Mobile Access customers by TechValidate, a 3rd-party research service.

“SonicWall SMA allows us to permit work from home when necessary. It’s a solid product, with easy setup and operation, and excellent support.”

– Wesley Banasan, IT Director, City of Milford

Challenges

The City of Milford deployed SonicWall SMA because they faced challenges with connecting and securing work-from-home employees.

Use Case

Device VPN and Always-ON VPN were important features for the city in selecting SonicWall SMA.

Results

Using SMA, the city simplified access control and gained single-pane-of-glass visibility.

Bansan is extremely satisfied with SonicWall Secure Mobile Access (SMA). He reports that SonicWall SMA is meeting or exceeding my performance and security expectations. He finds it is a secure, flexible and easy-to-use solution to help connect and secure remote workforces and work-from-home employees.
