

SonicWall's EU REACH SVHC Disclosure on Candidate List

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals, EC 1907/2006) is the European Union's (EU) chemical substances regulatory framework. REACH requires Dell to provide customers with sufficient information on Substances of Very High Concern (SVHC) contained in products in concentration above 0.1% weight by weight (w/w) to allow safe use of the product

For all SonicWall products no substances of Very High Concern (SVHC) are required to be disclosed based on total % w/w calculation of a component type listed Table 1. Some products do not contain all components.
